PRESS RELEASE
French Road over Burlington Creek
Bridge Replacement
Kane County Section No. 08-00386-00-BR

On Tuesday, August 5, 2014, the traffic pattern will change on French Road (between Lenschow Road and Illinois Route 72) to include one closed lane with temporary traffic signals maintaining traffic through the construction zone 24-hours a day for the duration of the project. A reduced speed limit will be posted through the construction zone to protect both motorists and construction crews. Motorists are advised to exercise caution while traveling through the work zone, watch for equipment entering and exiting on French Road, and expect increased travel times.

Questions or concerns may be directed to Patrick VerHalen at (630) 208-3138. For all traffic advisories, see http://www.co.kane.il.us/dot/trafficalerts/Default.aspx.
