Press Release

2017 Resurfacing Program #2
Kane County Section No. 16-00476-00-RS

Work on the second part of the annual county resurfacing program is scheduled to begin the week of Monday, July 3, 2017, weather permitting. The program will consist of paving and/or guardrail replacement on the roads as listed below. In order to replace the old pavement, the contractor will first mill and prepare the roadway involving temporary daily lane closures with flaggers directing traffic. Construction work hours will be from **7:00 am until 4:00 pm Monday thru Friday. This work is anticipated to take approximately three months to complete**, weather permitting. Listed below are the portions of roads to be resurfaced and/or have guardrail replaced this year.

County Highway	From	To	Activity
Perry Road	West County Line Road	Harter Road	Resurfacing and Guardrail Replacement
Harter Road	Perry Road	1,500' SE of Scott Road	Resurfacing

The resurfacing process is part of our annual maintenance to increase the longevity of County roads. Guardrail along Perry Road at Miner Road will be replaced to meet the current IDOT safety requirements.

Questions or concerns may be directed to Patrick VerHalen at (630) 313-0314. For all Kane County Traffic Advisories, see www.co.kane.il.us/dot/trafficalerts.

Work Zone Safety Alert

Drivers in this project area should be prepared to reduce their speed, exercise caution, watch for construction workers and construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone.

Drivers should expect delays and may want to add additional time to their commutes and consider the use of alternate routes while this work is completed.

KDOT reminds drivers that is illegal to talk on a cell phone or text while driving through a highway construction work zone. The minimum penalty for speeding in a work zone is $375.
