Attendees are encouraged to participate in the discussion, regardless of their involvement in bike sharing. Listed below are questions created by Forum organizers but other topics can be discussed during this section.
 - 1. When conducting a search for a bike share company, what are some of the most important factors that should be considered in the selection?
 - 2. When selecting bike share station locations, what are important things to keep in mind during the selection process? Where are the best/worst places to locate them?
 - 3. When creating a bike share system, what are other mobility vehicles that a municipality might consider including within their system? Which mobility vehicles operate well in urban areas? Suburban areas?
 - 4. Other topics of discussion
- VI. Next Meeting**
TBD
- VII. Adjournment**
