

2008 QBS
Request for Statement of Interest (SOI)
INTERSECTION IMPROVEMENTS for
Huntley Road (C.H. 30) at Galligan Road (C.H.6)

The Kane County Division of Transportation is in need of professional services from a qualified engineering firm to provide Phase One Engineering. The attached *Preliminary Scope of Services* provides in more detail anticipated items that are necessary as part of this project.

At this time the County anticipates starting this work in the Spring of 2009 with contract duration of 18 to 20 calendar months.

The Statement of Interest shall be submitted **VIA EMAIL** no later than 4:00 P.M. on December 12, 2008 and should be addressed to Mr. Paul Holcomb, Chief of Design. Mr. Holcomb's email address is: holcombpaul@co.kane.il.us. The SOI shall be submitted in **PDF** format viewable with the latest version of Adobe reader. The County's email system is set up to automatically provide you with a receipt verifying that we received your submittal. If you do not receive this verification please contact Paul Holcomb at (630) 406-7333.

Statements of Interest received will be used by County engineering staff to develop a short-list of three (3) firms. The County will then submit a Request for Proposal (RFP) from the three firms and then schedule interview. For more information regarding the SOI, such as content and format of these items, please reference our QBS document found at www.co.kane.il.us/dot/qbs/csp.pdf.

Short-listed firms will be posted on our website at www.co.kane.il.us/dot. Click on the link labeled "Request for Consultant Services", then click on the link labeled "Summary Table".

A Statement of Interest (SOI) received after the above noted deadline will not be used as part of our consultant selection process.

INTERSECTION IMPROVEMENTS for Huntley Road(C.H. 30) at Galligan Road(C.H.6)

Introduction

The following intersection has been approved for Congestion Mitigation and Air Quality (CMAQ) funding. The intersection will be completed under the IDOT BLR manual and KDOT standards. Coordination with IDOT, KDOT, and stake-holders will be necessary.

The intersection is shown on the attached location map. Tentative improvements at this intersection include channelization with the addition of dedicated left and right turn lanes on Huntley Road and a dedicated left and right turn lane on Galligan Road.

The Consultant will provide Phase I engineering services, which include but are not limited to the following:

- Detail topographic survey as necessary for planning and design of the project
- Surveys for any right of way acquisition and construction easements and the preparation of plats and legal descriptions and staking as required
- Prepare traffic studies and counts, analyze accident data, and any special intersection studies that may be required to furnish data for the design of the projects
- Intersection Design Studies
- Prepare preliminary roadway plans and meet with KDOT and IDOT for site review of final horizontal geometry
- Soil/pavement investigations as necessary to determine roadway structural design
- Environmental planning documents as necessary
- Project Development Report (PDR)
- Estimate of construction cost
- Obtaining Design Approval from IDOT
- Assistance obtaining clearances from all regulatory agencies (permits) as required by the scope of the proposed improvements
- Submit and coordinate all necessary permit requests for any work required outside Kane County right of way

Contact Information

Any questions regarding the project or QBS or Consulting Selection Process should be directed to Paul Holcomb at 630-406-7333 or via email at holcombpaul@co.kane.il.us.
