

Request for Statement of Interest (SOI)
Phase I/II Engineering Services
Fabyan Parkway; Nagle Boulevard to IL 25

The Kane County Division of Transportation (KDOT) is in need of professional services from a qualified engineering firm(s) to provide Phase I/II Engineering Services. The use of the Phase I consultant for Phase II will be at KDOT's discretion.

The attached *Preliminary Scope of Services* provides anticipated items that are necessary as part of the Phase I Engineering Services. The scope of services and contract for Phase II Engineering Services will be negotiated at a later date closer to the completion of Phase I.

At this time the County anticipates starting Phase I in 2010 with duration of approximately eighteen (18) months.

The Statement of Interest shall be submitted **VIA EMAIL** no later than **4:00 P.M.** on **December 4th, 2009** and should be addressed to **Paul LaFleur, P.E., Project Manager**. Paul LaFleur's email address is: lafleurpaul@co.kane.il.us

Statements of Interest received will be used by County engineering staff to develop a short-list of three (3) firms. The County will then submit a Request for Proposal (RFP) and schedule interviews with the short-listed firms.

For more information regarding the SOI, such as content and format of these items, please reference our QBS document found at <http://www.co.kane.il.us/dot/consultant/selectionProcess.pdf>. Also, the SOI shall be submitted in PDF format viewable with the latest version of Adobe reader. The County's email system is set up to automatically provide you with a receipt verifying that we received your submittal. If you do not receive this verification please contact Paul LaFleur at (630) 406-7355.

If you plan to utilize a sub-consultant for this project please note this on your Statement of Interest.

Short-listed firms will be posted on our website at www.co.kane.il.us/dot. Click on the link labeled "Request for Consultant Services", then click on the link labeled "Summary Table".

A Statement of Interest (SOI) received after the above noted deadline will not be used as part of our consultant selection process.

PROJECT DESCRIPTION/PRELIMINARY SCOPE OF SERVICES

Fabyan Parkway from IL 25 to Nagle Boulevard will be studied (Phase I) and designed (Phase II) to be widened to accommodate a continuous two way left turn lane. Forest Preserve land, residential, and commercial land uses line the corridor. This project (engineering and construction) will be funded by both local and federal (CMAQ) funding. This project will be completed under the IDOT BLR and BDE manual and KDOT standards.

The Consultant will provide Phase I engineering services, which include but are not limited to the following for each project:

- Detail topographic survey as necessary for planning and design of the project
- Surveys for any right of way acquisition and construction easements and the preparation of plats and legal descriptions and staking as required
- Prepare traffic studies and counts, analyze accident data, and any special intersection studies that may be required to furnish data for the design of the projects
- Intersection Design Studies
- Prepare preliminary roadway plans and meet with KDOT and IDOT for site review of final horizontal geometry
- Soil/pavement investigations as necessary to determine roadway structural design
- Environmental planning documents as necessary
- Project Development Report (PDR)
- Estimate of construction cost
- Obtaining Design Approval from IDOT
- Assistance obtaining clearances from all regulatory agencies (permits) as required by the scope of the proposed improvements
- Submit and coordinate all necessary permit requests for any work required outside Kane County right of way
- Coordinate with IDOT, Kane County and other involved parties/agencies as necessary

The Consultant will provide Phase II engineering services, which includes but is not limited to the following:

- Field condition survey verification
- Preparation of detailed plans and specifications (in accordance with IDOT BDE, IDOT Region 1 Bureau of Traffic, and Kane County design standards)
- Preparation of all necessary post letting plan revisions
- Preparation of engineer's estimate of cost
- Preparation of Contract proposal and all necessary bidding documents
- Coordinate with IDOT, Kane County, ACOE, K/DSWCD and other involved parties/agencies as necessary
- Submit and coordinate all necessary permit requests for any work required outside Kane County right of way (ACOE, K/DSWCD, etc.)
- Coordination with utilities

QUALIFICATIONS

Interested consultants should possess competency in the following area(s) of expertise:

- Pre-qualified for Phase I engineering studies with IDOT, Region One
- Pre-qualified for Phase II engineering with IDOT for roadway and drainage design.

PROJECT DURATION

Contract duration shall begin upon the receipt of the notice to proceed from the County to the Consultant, which is anticipated to be sometime in **2010** and shall last approximately 18 months for Phase I.
