

2010 QBS
Request for Statement of Interest (SOI)
Randall Road Route 529 - Improving Access to Bus Service

The Kane County Division of Transportation and PACE are in need of professional services from a qualified engineering firm to provide Phase Two Engineering Services. The attached *Preliminary Scope of Services* provides in more detail anticipated items that are necessary as part of this project.

At this time the County anticipates starting this work in January of 2011 with contract duration of 4 months.

The Statement of Interest shall be submitted **VIA EMAIL** no later than 4:00 P.M. on **November 18, 2010** and should be addressed to Mr. Paul Holcomb, Chief of Design. Mr. Holcomb's email address is: holcombpaul@co.kane.il.us.

For more information regarding the SOI, such as content and format of these items, please reference our QBS document found at <http://www.co.kane.il.us/dot/consultant.aspx> SOI's shall be submitted in PDF format (2 pages max) viewable with the latest version of Adobe reader. Verification of SOI's received will be emailed to the consultant. If you do not receive this verification please contact Paul Holcomb at (630) 406-7333.

Short-listed firms will be posted on our website at <http://www.co.kane.il.us/dot/SOISummary.aspx> Click on the link labeled "Summary Table", then click project link.

A Statement of Interest (SOI) received after the above noted deadline will not be used as part of our consultant selection process.

PRELIMINARY SCOPE OF SERVICES Randall Road Route 529 - Access to Bus Service

Introduction

Using the Pace Development Guidelines and IDOT's BDE manual the Consultant will develop a set of plans and specifications for the construction of new sidewalks, bus turnouts, signage, shelters and safe pedestrian access for PACE bus stops.

This project area is located along the Randall Road corridor from Sullivan Road northerly to Illinois Route 38, and along Illinois Route 38 westerly to the Kane County Judicial Center. All proposed locations for infrastructure improvements were previously identified in a recently completed feasibility and technical report for the County titled "**Randall Road Route 529 Plan: Improving Access to Bus Service**". Additional information is available for viewing at the following link <http://www.co.kane.il.us/DOT/>.

The full report in PDF will be available for the final three consultants selected for interviews.

Deliverables

The consultant will make three major submittals (preliminary, pre-final and final) of plans, specifications and estimates to KDOT and PACE. It should be noted that PACE will administer the Construction Engineering services using one of several contractors that have "On-call" contracts with PACE.
