

2010 QBS
Request for Statement of Interest (SOI)
INTERSECTION IMPROVEMENTS for
Huntley Road (C.H. 30) at Galligan Road (C.H.6)
Section 08-00112-00-CH

The Kane County Division of Transportation is in need of professional services from a qualified engineering firm to provide **Phase Two Engineering**. The attached *Preliminary Scope of Services* provides in more detail anticipated items that are necessary as part of this project.

At this time the County anticipates starting this design work in late fall of 2011 with contract duration of 9 calendar months.

The Statement of Interest shall be submitted **VIA EMAIL** no later than 4:00 P.M. on March 28, 2011 and should be addressed to Mr. Paul Holcomb, Chief of Design and Project Manager. Mr. Holcomb's email address is: holcombpaul@co.kane.il.us. The SOI shall be submitted in **PDF** format viewable with the latest version of Adobe reader. The County will respond with an email receipt verifying that we received your submittal. If you do not receive this verification please contact Paul Holcomb at (630) 406-7333.

Statements of Interest received will be used by County engineering staff to develop a short-list of three (3) firms. The County will then submit a Request for Proposal (RFP) from the three firms and then schedule interviews for the three. For more information regarding the SOI, such as content and format of these items, please reference our QBS document found at <http://www.co.kane.il.us/DOT/consultant.aspx>.

Short-listed firms will be posted on our website at www.co.kane.il.us/dot. Click on the link labeled "Request for Consultant Services", then click on the link labeled "Summary Table".

A Statement of Interest (SOI) received after the above noted deadline will not be used as part of our consultant selection process.

INTERSECTION IMPROVEMENTS for Huntley Road(C.H. 30) at Galligan Road(C.H.6)

Introduction

The project includes Phase II design engineering services. The Consultant shall provide Phase II Engineering for the design of the intersection improvements of Huntley Road at Galligan Road. Both roadways will be widened to accommodate turn lanes at the intersection and the improvement will incorporate improved turning movements, storage lengths and taper lengths. Additional work associated with the intersection improvements will consist of: resurfacing, drainage improvements, and signing/pavement marking improvements. This project (engineering and construction) will be funded by both local and federal (CMAQ) funding. This project will be completed under the IDOT BLR and BDE manual and KDOT standards.

The Consultant will provide Phase II engineering services, which includes but is not limited to the following:

- Field condition survey verification
- Preparation of detailed plans and specifications (in accordance with IDOT BDE, IDOT Region 1 Bureau of Traffic, and Kane County design standards)
- Preparation of all necessary post letting plan revisions
- Preparation of engineer's estimate of cost
- Preparation of Contract proposal and all necessary bidding documents
- Coordinate with IDOT, Kane County, ACOE, K/DSWCD and other involved parties/agencies as necessary
- Submit and coordinate all necessary permit requests for any work required outside Kane County right of way
- Coordination with utilities

The intersection is shown on the attached location map. Improvements at this intersection will include channelization with the addition of dedicated left and right turn lanes on Huntley Road and a dedicated left and right turn lane on Galligan Road.

Contact Information

Any questions regarding the project or QBS or Consulting Selection Process should be directed to Paul Holcomb at 630-406-7333 or via email at holcombpaul@co.kane.il.us.
