PRESS RELEASE

2011 Pavement Marking Program

The annual Kane County Pavement Marking Program work will begin the week of June 6th, 2011. The work shall include installation of urethane and paint pavement marking onto county highways. This work will be completed by the end of October depending on the weather.

During this time there will be periodic lane closures during daytime working hours Monday through Friday. Please anticipate increased travel times and exercise caution while traveling in freshly painted areas.

Future construction updates and traffic advisories will be available on the Kane County Division of Transportation web page at <http://www.co.kane.il.us/dot/trafficalerts>. Questions or concerns may be directed to Ray Johnson at (630) 669-7912.
