Fabyan Parkway over the Fox River Bridge Maintenance

December 4, 2023 - Traffic for eastbound Fabyan Parkway Bridge will be reduced to one lane to allow crews access to maintenance concerns on Thursday, December 7, 2023 from 7:00 a.m. until 7:00 p.m. These lane closures will expedite construction and allow crews safer access to the site while protecting the public by distancing them from the work. This work is expected to be completed in one day.

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
