Fabyan Parkway at IL 31 and Orchard Road from US 30 to Jericho Road Highway Safety Improvement Project

September 21, 2021 - Construction is scheduled to begin on the above-mentioned projects located in Geneva and Montgomery the week of September 27th. The improvement consists of Traffic Signal modification, Street Light installation, Handicap Ramp work and pavement striping to improve the safety at intersections. Work will begin with Traffic Signal Foundations and conduit work at the Orchard Road at Aucutt Road and Fabyan Parkway at IL 31 intersections. Traffic speed signs installation along Orchard Road will also begin the week of September 27th. The anticipated completion time for the projects is December 2021, weather permitting.

The above-mentioned roads will remain open during construction, but may include temporary daily lane closures and flaggers primarily Monday through Saturday from 7:30 A.M. to 4:30 P.M.

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
