Press Release

Huntley Road at Galligan Road Intersection Reconstruction Project Kane County Section No. 08-00112-00-CH

Starting the week of Monday, July 9, 2018, **road construction activities** will begin on Huntley Road from approximately 500 feet northeast of Galligan Road to approximately 300 feet east of Square Barn Road, and on Galligan Road at Huntley Road to approximately 1300 feet south of the intersection in Unincorporated Gilberts, Kane County. During the work, there may be temporary single lane closures with flaggers directing traffic. Construction work hours will be from **7:00 am until 5:00 pm Monday thru Saturday. This work is anticipated to take approximately five months to complete**, weather permitting.

County Highway	From	To
Huntley Road	500 ft east of Galligan Rd	300 ft east of Square Barn Rd
Galligan Road	1300 ft south of Huntley Rd	Huntley Rd

The initial work will include setting up erosion and traffic controls, storm sewer work, and installation of temporary pavement. Completion of this first stage of work is targeted for mid-summer, weather permitting. Once this initial stage is complete, construction activities will then focus on the placement of additional pavement and installation of the new traffic signal. A new press release and additional signage will be provided prior to any new traffic pattern changes due the construction activities or installation of the traffic signal.

The above-mentioned roads will remain open during construction, but may be reduced to one lane of travel using temporary daily lane closures. Motorist need to be prepared to reduce their speed, exercise caution, and be extra alert. Motorists must watch for construction workers, construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone. Motorists should expect delays while traveling through the work areas. Motorists may want to add additional time to their commutes and consider the use of alternate routes while this work is being completed.

A reminder – it is illegal for drivers to talk on a cell phone while driving through a highway construction work zone.

Questions and concerns may be directed to Patrick VerHalen (630) 208-3138. For all Kane County Traffic Advisories, see <http://www.co.kane.il.us/dot/trafficalerts/Default.aspx>.

ROAD WORK AHEAD

2018 WORK ZONE SAFETY: EVERYBODY'S RESPONSIBILITY

Work Zone Safety Tips

- Drop it and drive. 
- Pay attention; conditions can change quickly. 
- If possible, move over for workers. 
- Remember: Traffic backups can occur at any time. 
- Slow down and obey the posted work zone speed limits.
