Kirk Road at Dunham Road Intersection Improvement

July 15, 2021 - Construction is scheduled to begin the week of July 19th, for the Kirk Road at Dunham Road intersection reconstruction improvement project, located in St. Charles, Illinois. The improvements will increase safety and improve traffic operations through the intersection. The work consists of intersection and roadway widening, resurfacing, new traffic signals, drainage, and landscape restoration. The anticipated completion date for the project is November 30, 2021, weather permitting

The above-mentioned roads will remain open during construction, but may include temporary daily lane closures and flaggers primarily Monday through Saturday from 8:00 A.M. to 4:00 P.M.

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
