Press Release

Kirk Road at Pine Street Intersection Improvement Project Kane County Section No. 15-00342-01-CH

Starting the week of Monday, May 6th, 2019, **construction activities** will begin at the intersection of Kirk Road and Pine Street in Batavia, Kane County. During the work, there may be temporary single lane closures of Kirk Road with flaggers directing traffic. Construction work hours will be allowed from **7:00 am until 9:00 pm Monday thru Saturday. This work is anticipated to take approximately three months to complete**, weather permitting.

County Highway	From	To
Kirk Road	800 feet south of Pine Street	50 ft north of Pine Street

The work will include setting up erosion and traffic controls, temporary traffic signals, earth work, asphalt removal, storm sewer installation, placement of stone, asphalt paving, curb and sidewalk installation, and restoration of the parkway. A new press release and additional signage will be provided prior to any new traffic pattern changes due the construction activities.

Kirk Road will remain open during construction, but may be reduced to one lane of travel in either direction using temporary daily lane closures during off-peak hours of 8:30am to 4:30pm. Motorists need to be prepared to reduce their speed, exercise caution, and be extra alert. Motorists must watch for construction workers, construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone. Motorists should expect delays while traveling through the work areas. Motorists may want to add additional time to their commutes and consider the use of alternate routes while this work is being completed.

A reminder – **it is illegal for drivers to talk on a cell phone while driving through a highway construction work zone.**

Questions and concerns may be directed to Patrick VerHalen (630) 208-3138. For all Kane County Traffic Advisories, see <http://www.co.kane.il.us/dot/trafficalerts/Default.aspx>.
