Press Release

Longmeadow Parkway – Randall Road to Karen Drive New Construction Kane County Section No. 13-00215-10-PV

Starting Monday, October 2, 2017, weather permitting, Stonegate Road at the intersection of Longmeadow Parkway will be closed for 4 weeks in order to reconstruct the intersection.

Motorists are asked to seek alternate routes and avoid the intersection during this closure. Please exercise care and reduce speed while driving through the construction zone, obey flaggers and watch out for construction equipment entering and leaving the project site.

The Longmeadow Parkway Fox River Bridge Corridor is a planned tree lined Parkway and Fox River Bridge crossing with a landscaped median, approximately 5.6 miles in length, running from Huntley Road to IL Route 62. The proposed road passes through portions of the villages of Algonquin, Carpentersville and Barrington Hills, as well as unincorporated areas of Kane County and will provide a valuable benefit to the public by relieving congestion, encouraging economic development, improving travel options and connecting towns and neighborhoods.

Additional information is available on <http://www.co.kane.il.us/dot/foxBridges/longmeadowPkwy.aspx>.
