Press Release

Longmeadow Parkway – Randall Road to Karen Drive New Construction Kane County Section No. 13-00215-10-PV

Thursday, December 21, 2017 from 8:00am to 4:00pm, weather permitting, crews using bucket trucks will be working on the new traffic signal installations located above the intersections of Longmeadow Parkway at Randall Road and Longmeadow Parkway at Sleepy Hollow Road. This work will result in temporary daily lane closures and traffic diversions around the equipment working in the road. Flaggers and/or police officers will be directing traffic during these traffic interruptions. The traffic signals may be either turned off or may be in the flashing red sequence. Motorists are advised to expect delays, pay attention to any new temporary lane configurations and to obey flaggers working in the intersections.

If possible, please avoid these two intersections and seek alternate routes during this work.

Motorists are asked to exercise additional care, reduce speed while driving through the construction zone, obey flaggers and watch out for construction equipment entering and leaving the project site.

The Longmeadow Parkway Fox River Bridge Corridor is a planned tree lined Parkway and Fox River Bridge crossing with a landscaped median, approximately 5.6 miles in length, running from Huntley Road to IL Route 62. The proposed road passes through portions of the villages of Algonquin, Carpentersville and Barrington Hills, as well as unincorporated areas of Kane County and will provide a valuable benefit to the public by relieving congestion, encouraging economic development, improving travel options and connecting towns and neighborhoods.

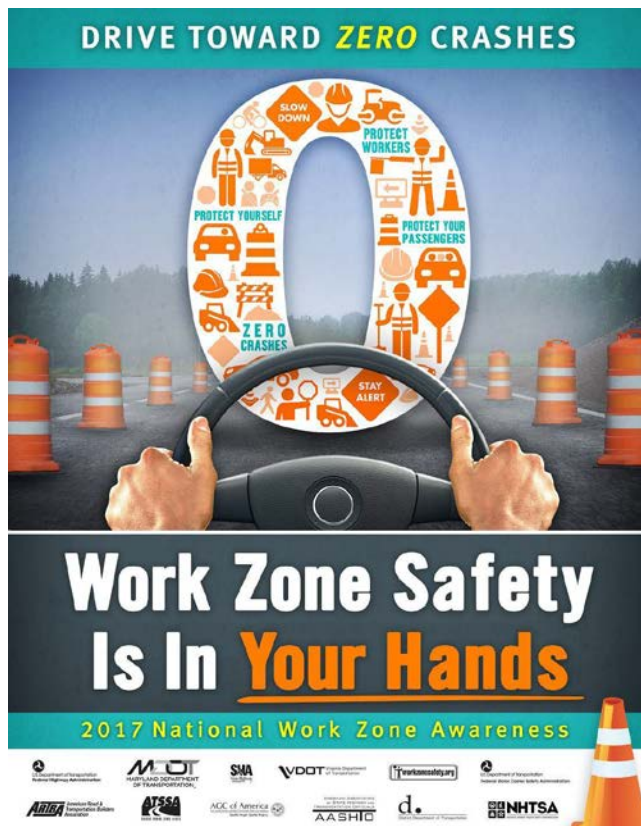

Additional information is available on [the Longmeadow Parkway page of the Kane County Division of Transportation website](#).

Questions and concerns may be directed to David Boesch, Chief of Construction with the Kane County Division of Transportation, at (630) 845-7875.

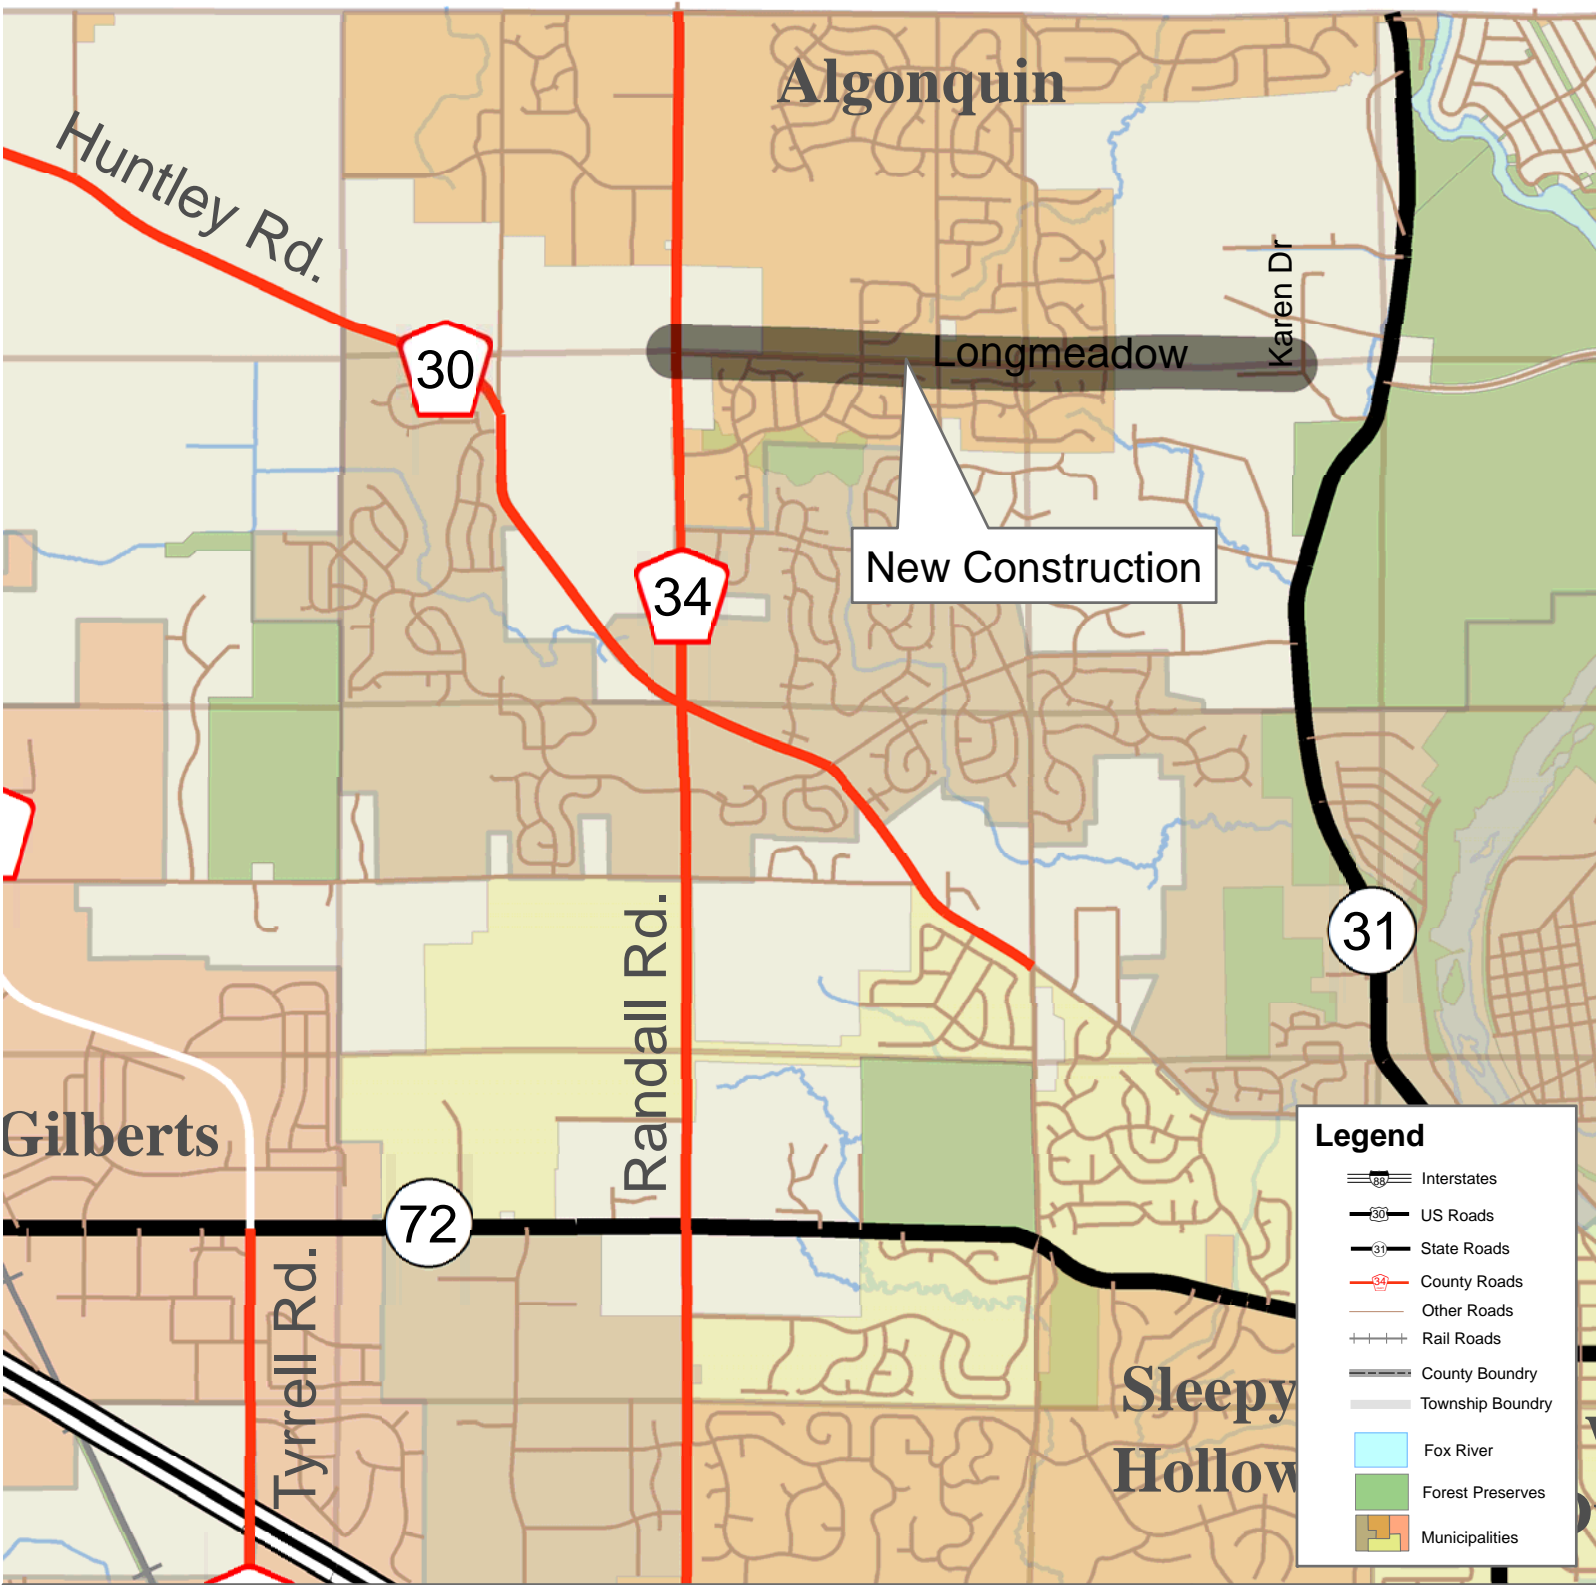

For all Kane County Traffic Advisories, see <http://www.co.kane.il.us/dot/trafficalerts/Default.aspx>.

A reminder – it is illegal for drivers to talk on a cell phone while driving through a highway construction work zone.
