## Press Release

### **Longmeadow Parkway Section B2 Advanced Tree Removal Kane County Section No. 16-00215-11-PV**

Starting the week of January 29, 2018, weather permitting, right of way preparation and tree removal will begin along the Longmeadow Parkway Corridor from east of White Chapel Lane to IL 31 and along IL 31 in unincorporated Dundee Township. During the work there may be temporary single lane closures with flaggers directing traffic. Construction work hours will be from **7:00 am until 5:00 pm Monday thru Saturday. This work is anticipated to take approximately two weeks to complete**, weather permitting.

<b>County Highway</b>	<b>From</b>	<b>To</b>
Longmeadow Parkway	5,400 feet west of IL 31	800 feet east of IL 31
IL 31	2,000 feet south of Longmeadow Parkway	Forest Drive

The work is being done in advance of the roadway improvements that will start in spring 2018.

The above-mentioned roads will remain open during the removals, but may be reduced to one lane of travel using temporary daily lane closures. Motorists need to be prepared to reduce their speed, exercise caution, and be extra alert. Motorists must watch for and obey flaggers and other traffic control devices within the work zone. Motorists should expect delays while traveling through the work areas. Motorists may want to add additional time to their commutes and consider the use of alternate routes while this work is being completed.

A reminder – it is illegal for drivers to talk on a cell phone while driving through a highway construction work zone.

Questions and concerns may be directed to Dave Boesch (630) 845-7875. For all Kane County Traffic Advisories, see <http://www.co.kane.il.us/dot/trafficalerts/Default.aspx>.
