Press Release

Longmeadow Parkway – Randall Road to Karen Drive New Construction Kane County Section No. 13-00215-10-PV

Starting the week of April 23, 2018, weather permitting, crews will be planting trees, milling the existing asphalt pavement and paving surface course asphalt on Randall Road from Broadsmore Drive to Corporate Parkway. This work will occur between the hours of 7:00am and 5:00pm for northbound Randall Road and between the hours of 8:30am and 5:00pm for southbound Randall Road, Monday thru Saturday. This work is expected to take approximately 3 weeks and motorists are advised to expect increased travel times and consider alternate routes during this work.

Motorists are also asked to exercise care and reduce speed while driving around and through the construction zone, obey flaggers and watch out for construction equipment entering and leaving the project site.

The Longmeadow Parkway Fox River Bridge Corridor is a planned tree-lined parkway and new Fox River Bridge crossing with a landscaped median, approximately 5.6 miles in length, running from Huntley Road to IL Route 62. The proposed road passes through portions of the Villages of Algonquin, Carpentersville and Barrington Hills, as well as unincorporated areas of Kane County and will provide a valuable benefit to the public by relieving congestion, encouraging economic development, improving travel options and connecting towns and neighborhoods.

Additional information is available on [the Longmeadow Parkway page of the Kane County Division of Transportation website.](#)

Questions and concerns may be directed to David Boesch, Chief of Construction with the Kane County Division of Transportation, at (630) 845-7875.

For all Kane County Traffic Advisories, see <http://www.co.kane.il.us/dot/trafficalerts/Default.aspx>.

Work Zone Safety Alert

Drivers in this project area should be prepared to reduce their speed, exercise caution, watch for construction workers and construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone.

Drivers should expect delays and may want to add additional time to their commutes and consider the use of alternate routes while this work is completed.

A reminder – **it is illegal for drivers to talk on a cell phone while driving through a highway construction work zone.**
