Press Release

Longmeadow Parkway C-2 Tree Removal Kane County Section No. 19-00215-24-PV

Beginning the week of February 10th, tree removal and site cleanup will begin along Bolz Road, between Sandbloom Road and IL 25. Work alongside Bolz Road may require temporary daily lane closures, with flaggers that will direct traffic for the safety of the workers and the travelling public. Construction working hours are between 7:00 A.M. and 5:00 P.M. **This work may take up to one month to complete**, weather permitting.

Motorists should expect delays while traveling through the work areas and should add additional time to their commutes. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering or leaving the site, obey flaggers and comply with traffic control devices within the work zone. Motorists may want to consider the use of alternate routes while this work is being completed.

A reminder – it is illegal for drivers to talk on a cell phone while driving through a highway construction work zone.

Questions and concerns may be directed to David Sitko at (630) 313-0754.
