Main Street Road at Nelson Lake Road Traffic Signal Installation

August 26, 2021 - Construction is scheduled to begin the week of August 30th for the Main Street Road at Nelson Lake Road intersection Traffic Signal Installation, located in Batavia Township, Illinois. The improvements will increase safety and improve traffic operations through the intersection. The work consists of new traffic signals, striping, and landscape restoration. Initial work on the project will include the installation of conduit, wires and concrete signal bases. A follow up press release concerning remaining work will be issued once materials are delivered later this year.

The above-mentioned roads will remain open during construction, but may include temporary daily lane closures and flaggers primarily from 8:00 A.M. to 4:00 P.M. Monday through Saturday.

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
