Work Zone Safety Alert

Drivers in this project area should be prepared to reduce their speed, exercise caution, watch for construction workers and construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone.

Drivers should expect delays and may want to add additional time to their commutes and consider the use of alternate routes while this work is completed.

KDOT reminds drivers that is illegal to talk on a cell phone or text while driving through a highway construction work zone. The minimum penalty for speeding in a work zone is \$375.
