Press Release

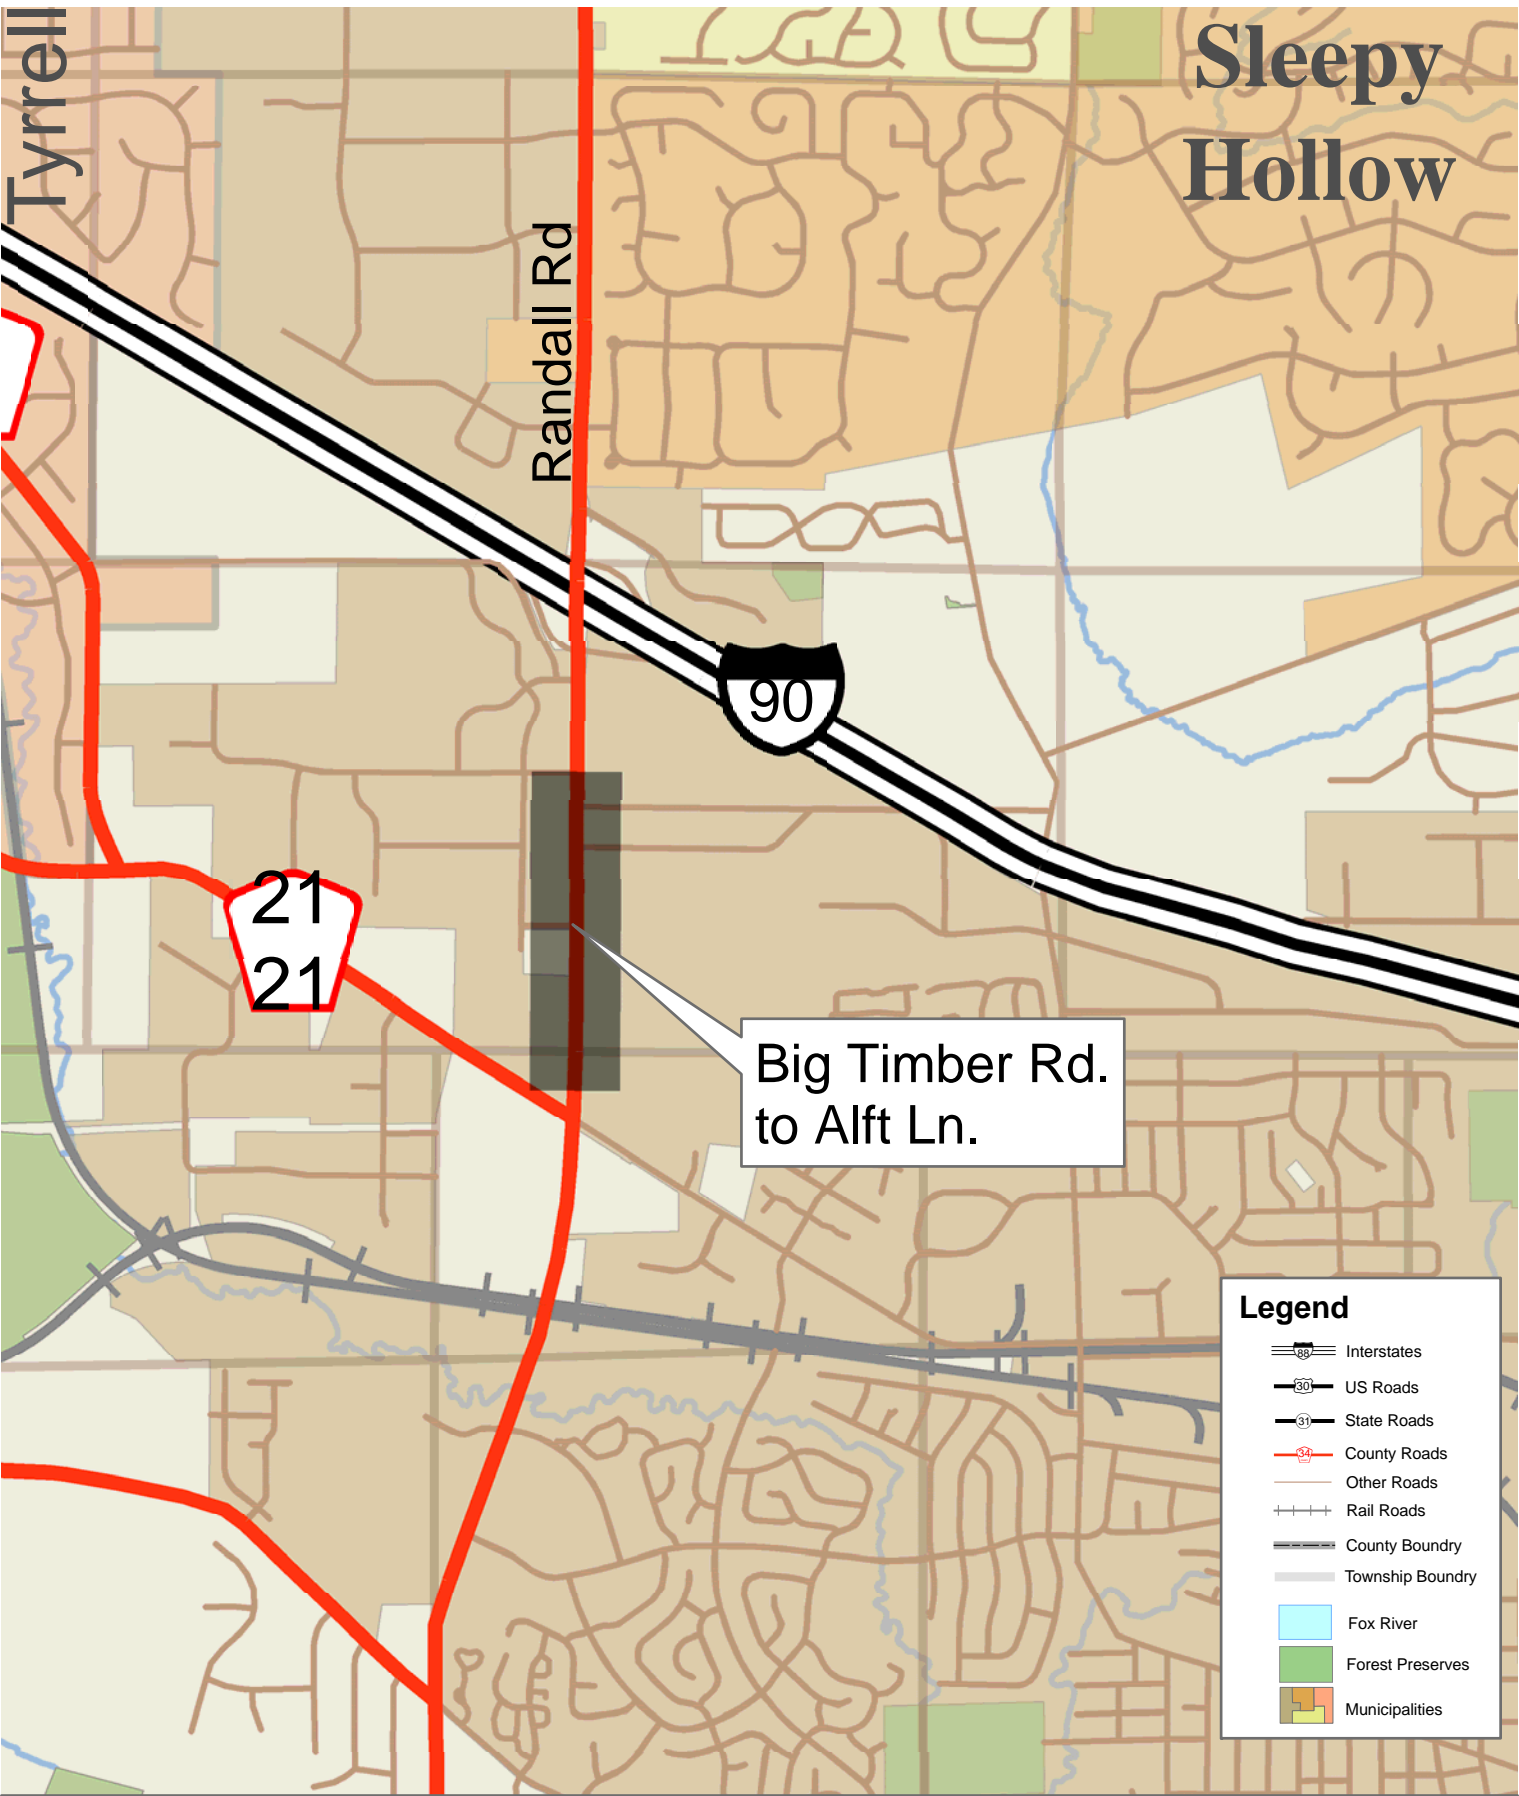

Randall Rd Improvements - Sherman Hospital

Construction along Randall Road between Big Timber Road and Alft Lane will start the week of April 26th, 2010. Work includes grinding to remove a layer of the existing asphalt surface and placement of a new asphalt riding layer. Motorist are advised that placement of fresh oil on the grinded surface, prior to placement of the new riding layer will take place. Fresh oil signs will be posted. Use of alternate routes is recommended. The resurfacing of Randall Road is estimated to be completed by late May. Intermittent single lane closures during day time working hours will be required to accomplish this work.

Please watch out for flaggers and anticipate increased travel times while traveling through this construction area.

Questions or concerns may be directed to John Guddendorf at (630) – 816- 9671. Traffic alerts are available at <http://www.co.kane.il.us/dot/trafficalerts>
