February 5, 2020

Press Release

Randall Road at Weld Road/U.S. Route 20 Intersection Improvement Kane County Section No. 14-00446-00-CH

Foundation and electrical work for new Street Lights and Traffic Signals at the intersection of Randall Road at Weld Road/U.S. Route 20 will resume starting the week of February 10, 2020, weather permitting. Depending on the weather, this work may continue, around the snow and rain, on and off, for several months into the spring. Remaining work comprised of paving, traffic signal work, striping, ramp, and site restoration on Randall and Weld Roads is still planned to resume in early 2020 with an anticipated completion date of June 2020.

As the Randall Road/U.S. Route 20 intersection is a very busy interchange, longer than normal traffic delays should be expected. Motorists should expect long delays while traveling through the work areas and add additional time to their commutes. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering or leaving the site, obey flaggers and comply with traffic control devices within the work zone. Motorists may want to consider the use of alternate routes while this work is being completed. A reminder – **it is illegal for drivers to talk on a cell phone while driving through a highway construction work zone.**

Questions and concerns may be directed to David Boesch at (630) 584-1170.

For all Kane County Traffic Advisories, see <http://www.co.kane.il.us/dot/trafficalerts/Default.aspx>.

Work Zone Safety Alert

Drivers in this project area should be prepared to reduce their speed, exercise caution, watch for construction workers and construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone. Drivers should expect delays and may want to add additional time to their commutes and consider the use of alternate routes while this work is completed. KDOT reminds drivers that is illegal to talk on a cell phone or text while driving through a highway construction work zone. The minimum penalty for speeding in a work zone is \$375.
