PRESS RELEASE

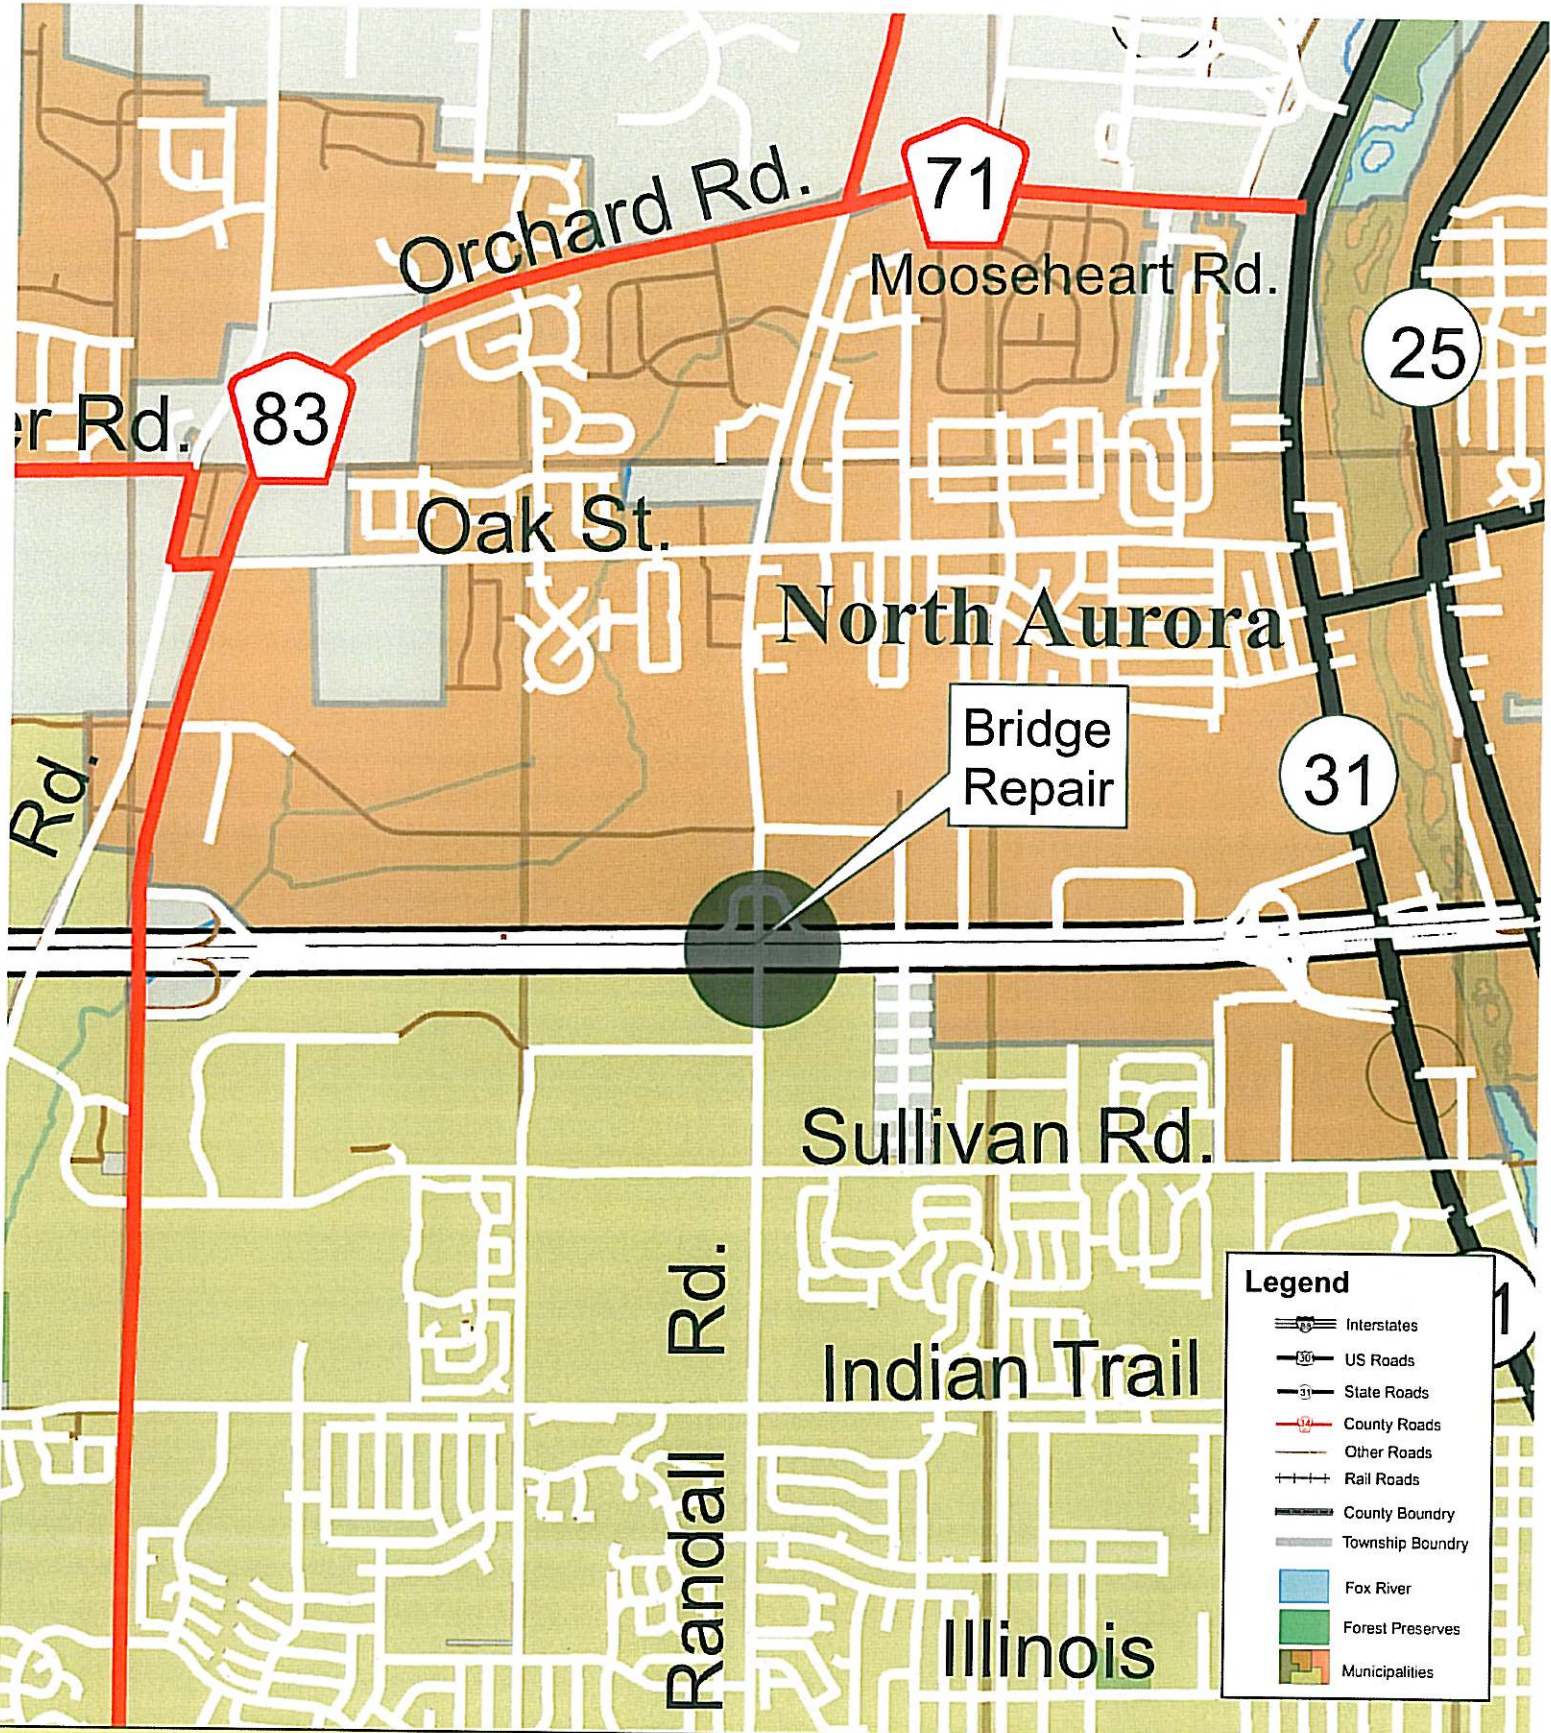

Randall Road over I-88
Bridge Deck Replacement
Kane County Section No. 08-00299-01-BR

A concrete pour to replace the bridge deck on Randall Road over I-88 is scheduled to occur either Tuesday June 21st or Wednesday June 22, 2011, weather permitting. The pour is scheduled to start at 8:00 am and last 6 to 8 hours.

Northbound traffic will be temporarily delayed at various times during the day to allow equipment and workers access to the bridge deck. Motorists traveling across the bridge are asked to drive slowly through the construction area and to watch for construction workers.

Please allow for additional travel times or seek alternate routes. The County appreciates your continued patience and support.

Questions or concerns may be directed to John Guddendorf at (630) 816-9671.
