Press Release

Randall Road over Mill Creek Bridge Inspection

Crews will be conducting inspection and testing on the above-mentioned bridge the week of July 9, 2018. This work will occur between the hours of 9:00 am to 3:30 pm and will require temporary lane closures as crews inspect the bridge. One lane will remain open along Randall Road during this work. This work is anticipated to take one to two consecutive days to complete. Please reduce your speed in the work zone and watch for workers and equipment on the bridge.

Questions and concerns may be directed to David Boesch at (630) 845-7875.

For all Kane County traffic advisories, visit the [Traffic Alerts Page](#) of the KDOT website.

Work Zone Safety Alert

Drivers in this project area should be prepared to reduce their speed, exercise caution, watch for construction workers and construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone.

Drivers should expect delays and may want to add additional time to their commutes and consider the use of alternate routes while this work is completed.

KDOT reminds drivers that it is illegal to talk on a cell phone or text while driving through a highway construction work zone. The minimum penalty for speeding in a work zone is \$375.
