Press Release

Silver Glen Road over Otter Creek Bridge Posting

The Silver Glen Road over Otter Creek Bridge will be posted for reduced loads. The required posting is as follows:

- Single Unit Vehicle – 19 Tons
- 3 or 4 Axles – 26 Tons
- 5 or More Axles – 26 Tons

This bridge will be posted due to its current condition. In the spring of this year, a bridge repair project will occur which will allow the posting to be removed. Completion of the bridge repair project is targeted for the end of April 2018. A bridge replacement project is currently under design and construction of the bridge replacement project is planned for 2019.

Any questions and concerns may be directed to Mike Zakosek at (630) 584-1170.

For all Kane County traffic advisories, visit the [Traffic Alerts Page](#) of the KDOT website.

Work Zone Safety Alert

Drivers in this project area should be prepared to reduce their speed, exercise caution, watch for construction workers and construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone.

Drivers should expect delays and may want to add additional time to their commutes and consider the use of alternate routes while this work is completed.

KDOT reminds drivers that is illegal to talk on a cell phone or text while driving through a highway construction work zone. The minimum penalty for speeding in a work zone is \$375.
